

Your Health Plan Choices

Basic health benefits

In all health plans, you will get all the long term care or waiver services you get now, such as:

- Long term care (nursing home) services
- Waiver services, such as supportive living, personal assistants, homemakers, adult day care or an emergency home response system
- Substance abuse and mental health services, such as therapy and counseling
- Transportation

All health plans have extra benefits, such as Care Coordinators who will help you find the providers and services you need. Use this chart to compare the extra services that each health plan offers:
