

Basic health benefits

In these health plans, you will get all the health services that you get now in Medicare and Medicaid such as:

- 24/7 nurse line
- Behavioral health services
- Doctor services
- Eye care services
- Hearing services
- Home health care
- Hospice care
- Hospital services
- Lab tests and x-rays
- Medical supplies
- Prescriptions
- Therapy
- Transportation to medically necessary appointments

All plans have extra benefits, such as **Care Coordinators** who will help you find the providers and services you need. Use this chart to compare the other services that each health plan offers:
