

Your HealthChoice Illinois Plan Choices

All plans have the same **basic** Medicaid services that you get now, such as:

- 24/7 nurse line
- Behavioral health services
- Doctor services
- Eye care services
- Hearing services
- Home health care
- Hospice care
- Hospital services
- Lab tests and x-rays
- Medical supplies
- Prescriptions
- Therapy
- Transportation to medically necessary appointments

All plans have extra benefits, such as **Care Coordinators** who will help you find the providers and services you need. Use this chart to compare the **extra** benefits and services that each health plan offers.

Important: If you receive Medicare benefits, Medicare will cover most of the services listed above. Your HealthChoice Illinois plan (Medicaid) will only cover:

- Your long-term care services if you live in a nursing home or supportive living facility
- Your home and community based waiver services (such as the Aging or Physically Disabled waivers)
- Non-emergency transportation and some behavioral health services

Not all extra benefits will apply to you if you receive Medicare benefits. **Extra benefits marked with a diamond (◆) are available to enrollees with Medicare benefits.**
